Richard C. Lull, '78
Douglas G. Atkins, '78

Representatives to Upper Valley Planning and Development Council

James E. Bewley
Dana L. Davis (Resigned)
Joseph A. DiClerico, Jr. (Appointed)

REPORT OF THE BOARD OF SELECTMEN

During 1975, the Board has operated over the general range of duties, plus a number of more unusual problems which have arisen. The Board issued 14 permits for new housing; 69 permits for building alterations; and 14 advertising sign permits. For the second year, the Board has been involved in reviewing current use applications, and this year granted current use assessments to 46 resident taxpayers. The grants were made for farming, forestry and recreational uses.

New London continues to grow, and in some ways it is leaving behind its small town characteristics. As one example, the Board accepted five new roads in the community, all of which are now open for new housing construction. This will, of course, increase the responsibilities of our new Road Agent, Paul Currier, and his hard working crew. In addition to these five roads, the Town, through agreement with abutting owners, has re-established Rowell Hill Road as a town road.

Under the authorization of the town meeting, the Selectmen have sold the Jim Emery property for the sum of $18,000. The principal will be invested and the income therefrom will be used for town purposes and will be known as the Jim Emery Fund.

On July 1, 1975, the Town held a special town meeting to deal with the questions of revenue sharing and flood control. In addition, the Town voted to establish by-law ordinances relating to parking and domestic animals at our public beaches, and better control at the dump.

The Board of Selectmen made several appointments during 1975: Joseph DiClerico to the Planning Board and to the Upper Valley Regional Council; Mary Foley, Harold Hopkins, Dana Stanley, and Richard Millar to the Conservation Commission; Douglas Atkins to the Recreation Commission; Clement Lovering to the Board of Fire Engineers; and Randle Gillespie to the Board of Library Trustees. Mary Petersen resigned from the Board of Library Trustees, and Berkley Hunter

resigned as Tree Warden. The Board wishes to express its appreciation for their contributions to our community to both these persons.

The major problem in New London continues to be resolution of the sewer problem. At the present time, the Town is being sued for $2,300,000 by 46 residents of the town of Sutton. Considerable work and expense has already gone into the defense of the Town against this suit, but at the time of this writing, there has been no resolution. The Town also has been involved in a major suit involving the tax assessment of the Public Service Company of N.H. Here the principal problem is the desire of Public Service to enjoy a double depreciation factor which other residents and business people do not enjoy. The case has been heard, but as yet, no decision has been made. In addition to the two larger legal involvements, there have been a number of small suits on a wide range of topics before the Board of Taxation and in Superior Court. The cost in legal expenses has risen astronomically. In 1975, the Town paid out $12,332.14, which represented an overdraft of $7,372.14.

The Board of Selectmen has also expressed a concern over the rapidly escalating costs of county government, and a letter of protest to that effect was sent to the County Commissioners. At present there seems to be no clear resolution of the cost problem on every level of government. The indications for 1976 are that the costs of local, county, and state government will continue to increase, especially since the demand for services is also increasing.

ALF E. JACOBSON, Chairman
Board of Selectmen

SELECTMEN'S REPORT
Summary of Inventory

	1974	1975

AUDITOR'S REPORT

To the Citizens of the Town of New London, N.H.

I have examined the financial statements of the Selectmen, Town Treasurer, Tax Collector, Town Clerk, Road Agent, Cemetery Commission, Sewer Commission, Library Treasurer, Trustees of Trust Funds, and District Court. I have compared their accounts, vouchers and bank statements of funds on deposit, and find these records to be in agreement, and I believe these records to be a true record of the town business for the year ending December 31, 1975.

RUTH C. WYLIE
Auditor

REPORT OF THE TRUST FUNDS OF THE TOWN OF NEW LONDON, NEW HAMPSHIRE

Report for the Year 1975

Listed on the following pages are the stocks entrusted to the Trustees of the Trust Funds and the results of the variation in the stock market during the year 1975.

Respectfully submitted,

ERNEST WELCH
Treasurer

COMMON TRUST FUNDS OF THE TOWN OF NEW LONDON

TRACY MEMORIAL LIBRARY

The year 1975 saw completion of the re-arrangement, renovation and re-decoration of the interior of the Tracy Memorial Building, the plans for which were first formulated in 1970. The reasons for undertaking this project, outlined in the Library's Annual Report for 1971, were improvement in the Library's service to the town and its residents.

The Library Trustees believe the objectives of this five-year program have been successfully attained. In 1975 the circulation of adult books was almost twice that for 1970; the actual increase attained was 87%. While the increase in juvenile circulation was only 22% for the period, it must be kept in mind that only ten years ago, the circulation of juvenile books by the Library was one and one-half times that of adult books. That such a tremendous increase in service to adults has been attained with no diminution of service to children, is an accomplishment of considerable significance.

Another measure of the improvement in Library service is the fact that in 1975 its book circulation achieved a total of about 9.5 per town resident, as compared to 6.6 in 1970. This 1975 per capita circulation is one of the highest for all New Hampshire public libraries and almost twice the State average.

Book circulation, however, does not tell the entire story. Of equal importance is the increase in the use of library services for reference and research purposes. While it is impossible to accurately measure the time required by a librarian to assist a patron in locating reference and research material, without the maintenance of time-consuming and elaborate records, the time taken on non-fiction subjects is far greater than for fiction. However, some indication of the increased workload on librarians in the area of reference and research may be demonstrated by the fact that the 1975 circulation of non-fiction was 79% greater than for 1970, while the circulation increase for fiction was only 64%.

The size of the permanent library staff has remained unchanged since 1970, as have the hours open to the public.

The increasing workload of the staff make it necessary for the Trustees to decline the State Library's District Advisory Council's request that Tracy Memorial Library become a Service Center for adjacent town libraries. Since neither the State nor the adjacent towns provide compensation for the additional work and expense involved in such an activity, the Trustees did not feel that New London's taxpayers should be asked to assume the burden.

Early in 1975 the Library increased its charge for over-due books from $.02 to $.05 per day. The purpose of this increase was to encourage individuals to return books on time so that the number of books available for circulation would be at a maximum. The resulting 15% decrease in the amount of fines collected in 1975 indicated that the increase in the per diem charge is serving the purpose for which it was intended.

The Tracy Memorial Library is fortunate in the support that it receives, not only from the town, but also from local organizations and individual patrons. A generous gift from the Friends of Tracy Memorial Library made possible the purchase of 44 additional childrens books as well as redecorating the Youth Room. The Garden Club has instituted a long-range program for improvement of the Library grounds; in 1975 it included replacement of some of the building's foundation plants as well as filling in the two long gardens between the two trellises with day lilies. A contribution by the Country Squires enabled the Library to purchase a subscription to the large print edition of Readers Digest. Dr. John Norris replaced one of the two garden trellises, which was beyond repair. Individual friends and patrons of the Library gave a total of 278 books, ranging from a reprint of Belknap's History of New Hampshire, originally written prior to 1800, to recently published mysteries.

At its November, 1975, meeting the Board of Trustees regretfully accepted the resignation of Mrs. Mary Petersen, who is leaving New London. At the Library Board's suggestion, the Selectmen appointed Mr. Randle Gillespie to fill the vacancy.

The Board of Trustees is grateful for the support the Library receives from the Town and its residents, the Friends

of the Library, the Garden Club, the Country Squires, and all others who contribute gifts, time, services and encouragement to the Library; and especially to the staff, who manage an ever increasing workload with efficiency, effectiveness, courtesy and good-will.

MRS. JANE W. WOOD, Chairman
MRS. LOIS BITTER

REPORT OF THE DISTRICT COURT

While the case load of the New London District Court comprising the Towns of New London, Newbury, Wilmot and Sutton has increased in all categories, a very marked increase has occurred in the motor vehicle violation category. This is attributable to State Police enforcement of the speed limit on Interstate 89 which passes through two of the towns of this Court District. The enforcement is mandated by the Federal Government. The penalty for failure to enforce is possible loss of Federal aid to highways.

The Court is now being held in an aesthetically appropriate setting for a court of justice and is functioning well.

Shown below is a table of the case category and comparison in numbers with the prior year.

	1974	1975
Felonies	19	18
Motor Vehicles	1010	1708
Other Misdemeanors	105	152
Juveniles	15	15
Small Claims	35	59
Civil Cases	17	18
Totals	1201	1970

Respectfully submitted,

GEORGE O. SHOVAN
Justice

	$50,880.10

MARGARET ABBOTT, Clerk

POLICE DEPARTMENT

In 1975 your Police Department had a very active year. There was an increase in most categories, a large amount of these being solved.

Activities for 1975:

	1975	Solved	1974
Burglaries	21	8	12
Larcenies	75	33	25
Possession Marijuana	2	2	2
Knowingly present	5	5	
Possession of alcoholic beverage by minor	5	5	
Giving beer to minor	4	4	
Criminal threatening	1	1	
Disturbing the peace	3	3	
Contributing to delinquency of a minor	1	1	
Assaults	10	10	
Criminal Trespass	18	18	
Dog Complaints	69		48
Arrests	62		47
Criminal hours worked	324		

Motor Vehicle Activities

	1975	1974
Court	375	305
Warnings	802	938
Checkups	231	228
Accidents	54	37
D.E. Tags	207	139

Since the Dispatch has been in operation the officers of the Police Department have been able to spend more time on patrol. This also allows the officers to spend more time working

on criminal cases, with the results reflected in the increased number of arrests and criminal cases solved.

1976 being the Bicentennial year, your Police Department is planning for another active year. The Department again wishes to thank the people of New London for the support that has been given so generously over the years.

Respectfully submitted,

WALTER A. RENEY, Chief

REPORT OF THE NEW LONDON CENTRAL DISPATCH

The New London Central Dispatch became operational as of March 31, 1975. During the nine month period the dispatch received 7,126 telephone calls, 2,248 of which were calls requiring services to be dispatched.

The system now dispatches for New London Police Department, Ambulance, Fire Department and Highway Department as well as the Wilmot Police Department and Wilmot Fire Department. They also have direct communications with the State Police and surrounding towns.

Direct communications can play a very important part in an emergency situation. A two or three minute delay could be serious, especially if someone's life is in jeopardy.

The New London Central Dispatch will continue working towards better and more efficient ways to provide everyone with the best emergency service possible.

Respectfully submitted,

WALTER A. RENEY, Chief

NEW LONDON FIRE DEPARTMENT

Captain	Berkley Hunter
1st Lieutenant	Douglas Mathewson
2nd Lieutenant	Paul Messer
3rd Lieutenant	William Taylor
4th Lieutenant	James A. Granger
Clerk	Stephen W. Ensign

I have been informed at the time of this report that our new 1000 G.P.M. pumper will be delivered in early April, 1976. The entire company is anxiously awaiting the arrival of this new apparatus.

The new tank truck approved at the 1975 Town Meeting has now been in service since spring. It has already proved to be a most valuable piece of equipment.

The men of the department and I express our thanks for your continued support.

Fire Calls:

Structural Fires	6
Hospital drills	12
Chimney fires	12
Brush fires	3
Auto fires or accidents	6
Out of town	5
Dump	2
False alarms	4
	50

Respectfully submitted,

LAURIDS LAURIDSEN, Chief

REPORT OF THE FOREST FIRE WARDEN DISTRICT CHIEF

Upon the recommendation of town selectmen and city councils, the Division of Forests and Lands appoints a forest fire warden and several deputy forest fire wardens in each town and city every three years. The town or city warden is responsible for maintaining a force of men and adequate equipment to suppress any wildfire that occurs in his town or city during his term of appointment. The fire warden must authorize all open burning when the ground is not covered with snow. No open fires can be authorized between 9 a.m. and 5 p.m., unless it is raining, without the additional permission of the state district fire chief.

Any person wishing to kindle an open fire when the ground is not covered with snow must first obtain the written permission of the forest fire warden. Camp and cooking fires also require the warden's permission.

The Division of Forests and Lands, through its Forest Fire Service, assists all cities and towns in meeting these requirements by training the warden and deputy forces in wildfire suppression tactics, making hand tool suppression equipment available at fifty percent of cost, supplying pieces of Federal excess property for use as fire attack vehicles and sharing up to fifty percent of the cost of wildfire suppression costs.

Wildfire prevention is also a joint state, city or town program. Smokey Bear is available from the Forest Fire Service for local fire prevention programs. Posters and Junior Ranger kits are available for distribution by local fire departments upon request to the Forest Fire Service. Each forest fire warden is expected to carry on a continuous wildfire prevention program within his town or city.

1975 Forest Fire Statistics

	No. of Fires	No. of Acres
STATE	718	800
DISTRICT	62	91.1
TOWN	0	0

GERALD S. GROSS
District Fire Chief

ROBERT G. MacMICHAEL
Forest Fire Warden

CIVIL DEFENSE REPORT

During 1975 the long awaited CD vehicle arrived. This was obtained from CD sources at no cost to the town. Mechanical work was performed on the vehicle and it is now operable.

It is hoped that during this year, equipment can be purchased to equip it with the basic necessities to be used in emergencies if they occur.

Fire extinguishers owned by the town are now checked by the CD director on a regular basis and refilled when necessary.

If any townspersons would like to get involved with the CD program of any nature, they would be most welcome.

We thank the ten people who own station wagons and are on a constant stand-by in case of a hospital "alert" or if an actual emergency should take place.

Respectfully submitted,

HAROLD F. SMITH
Civil Defense Director, Town of New London

PLANNING BOARD
Annual Report — 1975

The continuing growth of New London has given rise to more time spent by the members of the Planning Board in considering an increasing number of areas of development. There were eleven regular meetings, four public hearings on amendments to the Zoning Ordinance, one public hearing on changes in Land Subdivision Control Regulations and numerous conferences with other town agencies relative to matters which have come before this Board. In addition, members of the Board have devoted many hours and days in consideration of proper planning for New London.

During the year the practice of holding office hours in the Planning Board room at the Town Hall on Tuesday and Wednesday of each week was instituted. This has proved to be valuable since a member of the Board and all records are available at those times.

Eight subdivisions with a total of 27 lots were approved, two were disapproved and two, for 13 lots, are pending. Two annexations were approved and two were pending at the close of the year. Six site plan reviews were approved.

Of the special problems before this Board there was the question of Flood Insurance for flood prone areas as designated by the Federal government; the responsibility referred to us by the Board of Selectmen for street names; the review and amendment of present zoning regulations made necessary if an economically feasible sewer plant is to be built and Federal funds are to be available for its construction; and, the question of enlargement of the Institutional District to accommodate the growth of Colby-Sawyer College.

The number of amendments to the Zoning Ordinance since the printing of 1970 has made necessary the development of an up-dated summary. A new format in which pertinent data are brought together in the summary has been well received and the continued correction of the ordinance will follow that format.

Numerous field inspections in connection with septic systems have been made by members of the Board with the Health Officer and many hours have been given to inspections with the Road Agent of new streets and roads in developments.

The thinking of the members of this Board and the land planners and agents of prospective subdividers has been in keeping with the growth, and master plan, of New London. I would like to thank all concerned in these meetings and discussions for their contributions to this orderly development.

Respectfully submitted,

SYDNEY R. BADMINGTON
Chairman

ZONING BOARD OF ADJUSTMENT

The Zoning Board of Adjustment held the following open hearings during 1975. Referred by the Selectmen unless otherwise noted.

May 7, 1974 — William Faccone, for the Colonial Pharmacy, requested a special exception to Article II, Section 7-D because of large amount of fill proposed on his lot on Newport and County Roads. Granted.

May 7, 1975 — R.S. Cheheyl requested a special exception to Article II, Section 7-D because of large amount of fill proposed on his lot on King Hill Road. Granted.

May 14, 1975 — Charles M. Bucklin requested a special exception to article XII, Section J. Referred by the Planning Board for lot area requirement on Little Sunapee Road. Granted.

May 14, 1975 — John Clough requested an appeal from an administrative order in relation to Article IV, Section A-5. Applicant wished to raise and sell garden produce in the Residential Zone. No decision as appellant did not appear at proper time.

June 18, 1975 — Marshall Bassick requested a special exception to Article XII, Section A to build a swimming pool at his residence on Knight's Hill. Granted.

June 18, 1975 — Charles M. Bucklin requested a special exception, changed to a variance to Article IV, Section B-5. Referred by the Planning Board for lot area requirement for subdivision of property on Little Sunapee Road. Granted with restrictions.

July 30, 1975 — Colby-Sawyer College requested an appeal from an administrative order to Article IV, Section A-2. Referred by the Planning Board. The College wished to house students in five houses in the Residential Zone. Denied with the recommendation to the Selectmen that it not be enforced until the end of the upcoming school year, pending appropriate action by the College, the Selectmen and the Planning Board prior to, and at the 1976 annual town meeting.

August 27, 1975 — Hugh Chapin requested a special exception to Article XII, Section A for construction of a tennis court on his property on Lamson Lane. Granted.

October 15, 1975 — Camp KearSarge requested a variance to Article VII. Referred by the Planning Board for subdivision in the Residential and Conservation Zones on Lake Shore Road. Denied.

November 12, 1975 — Henry Holcomb requested a variance to Article IV, Section B-5 because of a question of population density on his lot on Pleasant Lake in Elkins. Changed by appellant to a special exception to Article XII, Section B. Denied.

November 12, 1975 — A.T. Kirk, Estate requested a special exception to Article II, Section 7-D. Referred by Health Officer and Selectmen because of large amount of fill required on his lot on Gay Farm Road. Granted with restrictions.

December 9, 1975 — An appeal by the abutters for a rehearing on this decision based on new evidence regarding water flow was denied. Reason — The original decision related to proposed land fill operations and the Board found that the Zoning Ordinance did not grant it a clear responsibility over water flow within the town.

November 22, 1975 — At the request of Joseph Messer, owner and pursuant to the provisions of Article III C of the Zoning Ordinance, the Board determined the line of demarcation between the Agricultural and Rural Residential and Conservation Zones on his property on Old County Road.

Respectfully submitted,

BEVERLY R. LITTLE
Secretary, Z.B.A.

INFORMATION BOOTH

Mrs. Georgianna L. Nichols and Mrs. Muriel Morrison were in charge of the New London Information Booth during July and August.

They reported an increase in the number of cars and persons compared to the 1974 report.

Cars listed in 1974 were 868 and 2,283 persons who asked for information.

July and August 1975, 976 cars and 2,531 people, which was an increase of 108 cars and 274 people compared to the summer of 1974.

Besides 31 states represented, there were visitors from Ontario, Ottawa, Germany, Italy, India, Japan and Holland. Many of these were Scientists at Colby-Sawyer College.

The attendants at the Booth answered mostly routine questions about best routes to take, good places to stay and eating places, plus many inquired for camping areas and cottages to rent. Many wanted to stay in New London or near-by.

There were many requests for locations of tennis courts, golfing, auctions and flea markets. A most common question was "Where is the Post Office?"

We received many compliments on our beautiful town from so many.

Respectfully submitted,

GEORGIANNA L. NICHOLS
MURIEL MORRISON

REPORT OF THE NEW LONDON CONSERVATION COMMISSION - 1975

Progress has been made during 1975 toward the acquisition of the balance of the Philbrick - Cricenti Quaking Bog. It has been possible to use the value of the Cleveland gift land on County Road as matching value in our now-pending application for Federal Funding Assistance (B.O.R.). Plans include a boardwalk into representative sections of the bog. This walkway will permit access without damage to delicate flora that would result from random footways. Volunteer groups have improved and extended the gravel pathway leading to the proposed boardwalk. It is hoped that the B.O.R. grant will be forthcoming.

Volunteer groups have cleared and re-blazed all Commission-maintained hiking trails. A new trail has been laid out and partially cleared on Webb-easement land to a view above Pleasant Lake. This, eventually, will be extended to form a ridge route to the existing Great Brook Trail.

A new trail is being cleared on hospital land to form a ¼ mile loop for hospital workers and visitors. The Boy Scouts have assisted in this project.

A short loop trail has been cleared, blazed and signed on Cleveland gift land off North Pleasant Street. Colby girls have lent an assist on Maintaining the Seamans Road - Pleasant Street Path.

Saturday morning bird walks were held throughout May and June under the auspices of the Commission. During July and August weekday hikes were held to the outer boundaries of the Town.

Esther Currier has represented the Commission on the Town Planning Board.

The Conservation Commission wishes to thank those who helped on trail work during 1975, and invites the participation of interested persons in 1976.

Respectfully submitted,

ESTHER CURRIER
WILFRED "SLIM" DAVIS
MARY FOLEY
HAROLD HOPKINS
RICHARD MILLAR
DANA STANLEY
JOHN ENSOR, Chairman

PARKS AND RECREATION

The Commission is charged by the Selectmen with maintaining the Town Beaches located on Little Lake Sunapee and Pleasant Lake, the grounds adjacent to the Town Hall and the various small parks scattered throughout the town. This work is performed by the Highway Department at the direction of The Commission.

The largest project undertaken this year was the much needed improvement of parking facilities for Elkins Beach. A large area to the right of the Post Office was leveled for this purpose and the existing parking lot next to the beach was enlarged. In addition, due to the generosity of the Lions Club, playground equipment was installed at that beach.

During the summer months, The Commission supplies Lifeguard coverage and daily maintenance at the two public beaches and, with the support of the American Red Cross, conducts swimming lessons on a regular basis. The Lifeguards hired for the season were as follows: Chip Maguire, head lifeguard, Susan Dorley, Jim Snyder, Amy Simon and Laurel Simon, along with Gene Ilnicki and Cindy Knapton who were substitutes.

Aside from regular lifeguard duties and beach maintenance, the fulltime lifeguards were responsible for getting beaches and equipment ready for the season and for painting the bath house at Bucklin Beach. They also served as instructors in the American Red Cross swimming program which involved approximately 200 adults and children.

The Commission was able to return a surplus to the town due to grants and gifts received from the American Red Cross and the Lions Club of New London. These figures appear elsewhere in this report.

Respectfully submitted,

PATRICIA D. KELSEY, Chairman

REPORT OF THE TOWN HEALTH OFFICER

The local board of health has been active in monitoring the quality of water in our municipal supply as well as lakes, ponds and streams. Special attention is given to those areas that are used for drinking water. The cooperation of all who help maintain the excellence of our town waters is greatly appreciated.

A visual survey of Pleasant Lake took place during the months of July and August. Mr. Marshall Hoke and Mr. Albert Barton were most helpful with this effort. We hope that land inspections will prevent lake pollution before it becomes a fact.

A survey of Messer Pond was completed in August.

The principle activity of the department involves the review of applications for subdivision and subsurface sewage disposal systems. I would like to thank the selectmen and planning board members for their counsel and help with this important work. The ratio of new systems to refurbished systems is one to one.

Respectfully submitted,

GUY F. WILLIAMS, JR.
Health Officer

NEW LONDON HOSPITAL ASSOCIATION, INC.
Annual Report

The New London Hospital began the year 1975 with a sense of newness and anticipation. The new ambulance was put into service in the early winter, new patient telephones were installed, a new operating room light was installed and permanent patient identification cards were issued.

There have been several additions to the Medical Staff during the past twelve months with Associate Membership being granted to Dr. A. Beam, Dr. W. Brock, Dr. Warren Emley and Dr. Ray Marsh. Courtesy Medical Staff privileges were granted to Dr. John Bentley and Dr. Eileen Levis.

In March Mr. and Mrs. William Kidder, Jr. accepted the chairmenship of New London Hospital Day and under their leadership the gross profit realized was $47,191.82. It was with gratitude that the Board of Directors expressed their sincere thanks to the Kidders.

The Summer Residents Association presented to the Hospital the sum of $8,500.00 as the result of their efforts during the summer. The Hospital is again most appreciative of their support.

In August the New London Hospital received its PSRO (Professional Standard Review Operation) Certification and was approved as a pilot hospital in the State of New Hampshire. It is one of four hospitals so approved.

In June the Board of Directors voted to take part in the Dartmouth Medical School teaching program involving medical students in their third year at the School.

Early in the year the Building and Grounds Committee was instructed to interview several firms for the purpose of preparing a Long Range Master Plan for the Hospital. After careful consideration Payette Associates, Inc. was selected for this task and their final report is to be made to the Board of Directors early in 1976.

In October, faced with a deficit budget, the Finance Committee recommended preliminary budget cuts to the Board of Directors, which were approved.

A special meeting of the Board was called early in November to consider increases in room charges in the Acute Hospital as recommended by the Finance Committee, which were unanimously approved.

In November the Executive Committee unanimously approved a decrease in the 1975-76 budget, as recommended by the Finance Committee, of $307,143.00. This action was subsequently ratified by the Board of Directors, and became effective November 24, 1975. Prior to this decision conferences were held with each department head of the Hospital Staff, and following this decision the Board of Directors met with the Medical Staff of the Hospital.

On November 25, 1975 the resignation of Mr. George Morse, Administrator of the Hospital, was submitted to the Board of Directors and was subsequently accepted. On December 1, 1975 Mrs. Russell Spaulding, Director of the William P. Clough Extended Care Center was appointed Interim Administrator of The New London Hospital.

In the middle of December a Search Committee was formed for the purpose of finding a new administrator for the Hospital.

The following have served on the Hospital Board of Directors during 1975:

Officers

President	H.B. Harris, Jr., New London
Vice-President	F. Graham McSwiney, New London
Treasurer	George Collier, New London
Secretary	Sally K. Fifield, New London

Directors
(terms expire as shown)

John Sargent	Georges Mills	1/76
Katherine White	Wilmot	1/76

Barbara Walsh Summer Resident's Association	Sunapee	
Mary Teach Hospital Auxiliary	Wilmot	

Respectfully submitted,

MRS. R. B. FIFIELD, JR.

THE AUXILIARY OF THE NEW LONDON HOSPITAL
ANNUAL REPORT 1974 - 1975

The Auxiliary of the New London Hospital held nine monthly meetings from October 1974 through May 1975, followed by an annual June luncheon, held this year at the Seminole Point Lodge. Average attendance was 64 members. Twelve Board meetings were held. Regular memberships totalled 274. Honorary memberships total 5.

Services rendered included volunteer projects within the hospital, health care education and fund raising. 160 volunteers gave over 12,000 hours of hospital service. A Candy Striper Program was initiated this summer with 16 teenagers volunteering over 960 hours. Health care education included: a Death and Dying Workshop; a Health Screening Clinic; guided hospital tours for school and adult groups; and representation to the New Hampshire Association of Hospital Auxiliaries, and the New England Hospital Conference. Our annual Scholarship Award was presented to Kathleen Whitcomb, a graduate of Kearsarge Regional High School, now attending Cheshire School of Nursing. Through annual fund raising projects, i.e.: rummage sale and pillow and TV rentals, $5,614 was contributed to the hospital for requested equipment and supplies. For Hospital Day the Auxiliary booths netted $5,132 for the hospital.

This year was the fiftieth year of the New London Hospital Aid Association. At the June luncheon all past presidents present were honored, and five were granted honorary membership. The general membership voted to change the name of this association to the Auxiliary of the New London Hospital to better convey our intent of purpose.

The following served as officers during 1974 - 1975:

President	Mrs. Robert A. Teach
Vice President	Mrs. Angus Brooks
Secretary	Mrs. Ralph Lewis
Treasurer	Mrs. Charles B. Brown
Assist. Treasurer	Mrs. David Powers
Historian/Publicity	Mrs. John Roche

We are deeply grateful to our members, to the hospital staff, and to the citizens of this community and all the surrounding towns, for their generous cooperation and support in rendering their aid to help us service the New London Hospital.

Respectfully submitted,

MARY S. TEACH, President

KEARSARGE VISITING NURSE ASSOCIATION ANNUAL REPORT

NURSE'S REPORT — December 31, 1975

Community health nursing is more than nursing in a setting other than the hospital. It is a unique blend of nursing and medical services woven together to best serve the people in their usual environments of home, school and work. The agency staff has been reorganized and increased to include 1 full-time RN, 3 part-time RNs, 1 physical therapist, 1 occupational therapist, 1 speech therapist and 2 homemaker-home health aids. Expanded services include use of food bank and emergency fund, increased TB testing and follow-up and the homemaker-home health aide program.

Towns served:

Andover, Bradford, Danbury, New London, Springfield, Sutton, Warner and Wilmot.

Services Provided:

Skilled nursing care
Physical therapy

Occupational therapy
Speech therapy
Homemaker-Home Health Aides (designed to meet the needs of the elderly population. Assists with personal care, meal planning, light housework, etc., under supervision of R.N.)

Referrals:

Received from various sources: patient, family, friend, hospital, physician, welfare, police, churches and other organizations. Anyone can make a referral. All referrals are welcomed and highly confidential.

Fee:

These services are provided regardless of ability to pay. The KVNA is supported through town appropriations, fees collected, Medicare, insurances and contributions.

Total visits - 1032 Total mileage - 11,904

Visits to New London - 306

Town resident population 6/30/75 - 2,250
Assessed at $1.25 per capita - $2,812.50

Skilled nursing care visits - 498 (includes care of catheters, colostomies, dressings, blood pressure check, injections, etc.)
Therapy visits - 62.

Nursing intervention and prevention visits - 375 (includes preventive testing, health guidance and support, counseling and teaching). No charge to patient.

Future Goals:

1. To increase patient visits per town.
2. To offer immunization clinics every 2 months.
3. To grow in the area of maternal-child health through well-child conferences and prenatal classes.
4. To develop mental health follow-up care.
5. To further coordination between school nurse and KVNA.

We thank you for your support through appropriations, contributions and also the donations of food, clothing and medical equipment.

People are the purpose for which community health nursing exists. It is only through **your** action as patients, health workers, taxpayers, legislators, family members, and citizens that we can continue to provide high quality professional services.

MRS. TANYA WILKIE, R.N.
Supervisor

Total Revenue		$23,457	$27,975
From Reserve Fund		$ 4,755	$ 4,275

REPORT OF THE ROAD AGENT

During 1975 ditching and repairs were completed on South Pleasant Street, Knights Hill Road, County Road and Seamans Road. Culverts on Birch Acres, Burpee Lane and Williams Street were replaced. Heavy rains in June caused many minor washouts and necessitated major repairs to Davis Hill Road. Extensive improvements to the parking lot at Elkins Beach were also accomplished.

With the Special Road Account, Woodland Drive was improved and surfaced. A portion of Mountain Road was widened. Next year Special Road Account Funds will be used to improve Mountain Road to accomodate traffic to the new landfill.

With the sidewalk account, a short section of sidewalk in Elkins was replaced. Next year, planning and design for a sidewalk from Homan's corner to the Shopping Center will be accomplished, with construction to start in 1977.

T.R.A. funds were expended widening and gravelling a section of County Road. Although T.R.A. funds next year will be used on Mountain Road, improvements to County Road will continue in 1977.

In the coming year, the Highway Department will be preparing the new landfill site on Mountain Road, and improving Mountain Road. A program to repair and oil many of the older paved roads in town will also be underway.

Many thanks to Willis Prescott for his help in introducing me to the duties of Road Agent, and to the highway crew for their dedication and hard work.

Respectfully submitted,

PAUL M. CURRIER
Road Agent

REPORT OF THE TOWN HISTORY AND ARCHIVES COMMITTEE

"Looking Ahead to New London's 200th Birthday in 1979"

As New London Approaches the 200th anniversary of its incorporation in 1779, we publish in each year's Town Report (1) a statement of events in our community two centuries ago; and (2) a summary of what has been done in the way of preparatory work during the year just past.

— *1776* —

Two hundred years ago in 1776, John Alexander Lamb, the first white child to be born in New London, arrived. He was the son of James Lamb, the first permanent resident of our Town. There were then four settlers in this community, all living in the general area of King Hill and Hominy Pot. Dozens of men whose bodies now rest in our cemeteries were away with the army in 1776, fighting in the War for Independence. But these men did not actually become citizens of New London until somewhat later.

During the year just past our Committee, in cooperation with the New London American Revolutionary War Bicentennial Committee, installed the thirteenth historical marker in the series being prepared for our own Bicentennial as a Town. At 2:00 p.m. on 22 June 1975 the marker adjacent to the Moses Trussell House was dedicated. It was one of the integral events of the annual Muster Day of 1975. This marker identifies the house in which Moses Trussell, veteran of the Battle of Bunker Hill, lived until his death in 1843. Today it is the home of Mr. and Mrs. Alford Tunis.

Plans were made for the relocation of a bronze marker, long misplaced, dedicated by the Town in 1929, which indicated the area where Moses Trussell, then a citizen of Hopkinton, made the first clearing in New London in 1774.

Respectfully sumitted,

J. DUANE SQUIRES, Chairman

COMMUNITY ACTION PROGRAM
BELKNAP-MERRIMACK COUNTIES, INC.

Annual Report

Since 1965, the Belknap-Merrimack Counties C.A.P., Inc. has served as a delivery system for services to elderly, low-income families and individuals of New London through the Kearsarge Valley Neighborhood Center which has been in existence since 1973.

Although funds for Community Action are generated in different ways, support for the Neighborhood Center is based primarily on local tax dollars. In essence, the Neighborhood Center is the basic framework on which the effective delivery of services is based.

The purpose of the Neighborhood Center is to present convenient and comprehensive help to low-income and other needy persons and to spur their efforts to better themselves and their environment.

During 1975, residents of New London have participated in the following programs or have used these services in 1975:

1. Winterization Program
2. Emergency Fuel Loan
3. Employment Assistance (Manpower Programs)
4. Food Stamp Certification in New London
5. Rent-A-Kid
6. Information and Referral
7. Housing Assistance
8. Summer Youth Work Experience Program
9. Operation Green Thumb
10. Welfare Assistance

Additional programs and services also available to residents of New London:

Housing Loan Assistance
Emergency Assistance: Transportation, food, clothing, etc.
Legal Assistance and Referral
Emergency Food Stamp Grants
Rural Transportation

Meals-on-Wheels
Summer Camp (Youth)
Family Financial Counseling
Family Planning

Through programs and services such as those listed, C.A.P. is providing the mechanism for people to find ways of opening economic opportunity for themselves: of raising the capacity of individuals to participate in the economic life of the country. It is also the task of C.A.P. to develop new programs that can be used to help solve social problems.

On behalf of all the Community Action staff, I would like to acknowledge the generous help and assistance given to Community Action by residents and town officials during 1975. Thank you very much.

STEPHEN P. CACCIA
Kearsarge Valley Area Director

RICK KNOWLAND

UPPER VALLEY - LAKE SUNAPEE COUNCIL

The Council - until three years ago known as the Upper Valley Planning and Development Commission - has been undergoing a period of rapid growth and change. From what originated as an economic development association, it has become a comprehensive regional planning agency. And, where it originally served just six towns, it now serves thirty-one communities in New Hampshire and Vermont, from Orford on the North to Charlestown on the South; from Canaan on the East to the three Vermont member towns of Hartford, Norwich and Thetford.

The Council operates on an annual budget of about $100,000. It is under the direction of a 47 member board of directors composed of two directors from each of its 31 member communities (plus 3 directors-at-large). Since these directors are appointed by the member communities — the Selectmen or City Councilors — and set the policies and programs to be administered by the staff, there is complete local control of the Council's activities.

Yet, the membership dues from local communities (New London's share for the coming year, figured on a per capita basis will be just $1,552.) account for only 30 percent of the Council's total revenue. The remainder, 70 percent, comes from various state and federal sources; sources available to the Council because of its status as a comprehensive regional planning agency recognized by the federal government and the states of New Hampshire and Vermont. In other words, these added sources of revenue have increased the Council's income and thus its ability to serve its members at a two-to-one ratio of service to local dollars spent.

Many programs have been undertaken with that money. There are large-scale regional studies which benefit residents of all member towns. Last year, a major emphasis was on solid waste, to help towns meet the state-mandated deadline for closing dumps. This year, there have been studies on area transportation needs and on housing and land use needs, which will help towns qualify for various federal-aid programs. There are many smaller studies, of interest to

groups of towns, and many seminars and workshops to help municipal officials meet the ever-more-complex state and federal regulations.

In addition, staff assistance is available to most communities via a popular technical services program with help given in such diverse areas as subdivision regulations, land use maps, downtown improvement studies, new zoning ordinances, planning for new municipal facilities and the many technical and graphic needs inherent in these programs, services small communities cannot afford.

These are a few of the types of services which the Council has provided in the past year. These types of services will be continued in its new fiscal year, which will begin July 1, 1976. The exact components remain to be identified and will depend largely on what the **town-appointed** directors see as pressing needs this spring, since the Council is not a regional government. It is a membership group, established to serve its members.

While each town or city has its own pressing problems, it does not exist in a vacuum. Many of its neighbors face some of these same problems. Or a neighbor's solutions may cause it problems. This is where a regional planning program can help, working with and for local communities to seek solutions to these common problems. That is the continuing mission of the Upper Valley-Lake Sunapee Council.

Respectfully submitted,

JAMES E. BEWLEY
JOSEPH A. DiCLERICO
Directors

NEW LONDON CEMETERY COMMISSION

There were 20 interments during 1975; 11 in Old Main St. Cemetery, 5 in Elkins Cemetery and 4 in West Part Cemetery.

Extensive fence repairs were completed at Old Main St. and a new gate was installed on Bog Road.

During the coming year it is planned to develop a portion of the additional areas available at both Old Main St. and West Part Cemeteries. This will involve access and grading. It is also contemplated to determine the availability of an underground source of water in the vicinity of the tool shed at Elkins Cemetery.

NEW LONDON WATER SYSTEM PRECINCT

To the residents of the New London Water System Precinct we take this opportunity to report on the activities of your department for the year 1975.

Highlight of the year had to be the preparation of the design plans and specifications for the second reservoir. This was done by the firm of Anderson and Nichols of Concord, N.H. It was accomplished after many hours of research by the above, your commissioners and superintendent involving topos, boundaries, borings, soils analysis, 100 year rainfalls as well as down-stream and up-stream data. Plans are to receive bids in the spring and see completion before the year end. A representative from the engineering firm will be at the annual meeting in March.

Several freezeups occured during the year and were attributed to unoccupied dwellings and heat failure. To avoid such happenings property owners should make arrangements to have their service lines shut off at the street-side curbs whenever the residences are to be unoccupied for any length of time during the winter months.

The new sewer interceptor line made nine crossings of mains and services with but one broken house service which being an old iron pipe was destined to be replaced shortly.

Additionally twenty-three new house services came onto the system as did 1998 feet of new mains during the year.

Being free of beaver migrations during 1974 found us less fortunate this past year. Four of these creatures established homesteads in the water shed area and were removed.

In conclusion and as a reminder notices will be displayed on bulletin boards and hydrants showing flushing dates during the coming year.

We encourage all precinct voters to attend the annual meeting at the town hall on Tuesday, March 16, at 8:00 p.m.

Respectfully submitted,

JAMES E. BEWLEY

STATE OF NEW HAMPSHIRE

WATER PRECINCT WARRANT

To the Inhabitants of the New London Water System Precinct in the towns of New London and Springfield, in the Counties of Merrimack and Sullivan, respectively, qualified to vote in precinct affairs:

You are hereby notified to meet at Whipple Memorial Hall in said New London, Tuesday, the 16th day of March, 1976, at eight o'clock in the evening to act on the following subjects.

1. To choose all necessary precinct officers for the ensuing year: Moderator, Clerk, Commissioners and Auditor.

2. To hear reports of the Auditor, Committees and officers here to fore chosen and pass any vote relative thereto.

3. To see if the Precinct will vote to raise $42,000.00 by Precinct Tax and Authorize the Commissioners to establish the rate per $1,000.00 of assessed valuation.

4. To see if the Precinct will vote to transfer to said Capital Reserve fund the sum of $10,000.00.

5. To see if the Precinct will vote to authorize the Board of Water Commissioners to borrow money in anticipation of taxes or rates, the same to be payable within one year of such taxes or rates.

Given under our hands and seal this twentieth day of January in the year of our Lord, Nineteen Hundred and Seventy-Six.

LAURENCE R. SPAULDING
JOHN J. KIERNAN
KENNETH M. RICH

SEWER COMMISSIONERS REPORT

Each year as this report goes to press it would seem that our past year accomplishments should be more visible to the Town. In the following we hope to show you that the work is steadily progressing.

This year as in past years some developments are GOOD & some BAD. On the GOOD side we have finished the Interceptor Line from Newport Road to the Plant. Work was done by Burnett Construction of Burlington, Vermont. This work was completed at a cost of $143,914.84. The BAD side, as we are all aware, is that the Town of Sutton Planning Board refused to allow a sub-division that would have enabled us to obtain land on the town line. The land would have been used as a spray-site for the new plant. The result of this decision on Sutton's part has sent us back to the drawing board for another plan, which is now being proposed by Anderson-Nichols. We will also have to have more meetings with Water Supply and Pollution Control Commission (WSPCC) and Environmental Protection Agency (EPA). We have been meeting during the past year with the above and would like to thank all the New London residents who have attended the meetings with us. We have high hopes that the Sewer Improvements will soon be able to begin.

At this time we want to thank John Bickford, Plant Manager and his helper "Chipper" Gove for the services they are performing.

Most Fridays at 4:30 p.m. the Commissioners are at the Plant Building for a meeting. In the event you have any questions, this is the time to contact us.

Respectfully submitted,

CLAYTON A. MILLER
CARLTON F. BARTON
ARTHUR S. LITTLE

WILLIAM F. KIDDEER, Town Clerk

THE STATE OF NEW HAMPSHIRE

TOWN WARRANT

To the inhabitants of the Town of New London in the County of Merrimack, in said State, qualified to vote in Town Affairs:

(L.S.)

You are hereby notified to meet at the Kearsarge Middle School Auditorium in said New London on Tuesday, the second day of March, next at 12:00 o'clock noon to act upon the following subjects:

Art. 1. A. To choose all necessary Town Officers for the year ensuing.

B. To vote by Ballot on the amendments to the New London Zoning Ordinance and Zoning Map.

Note — By law, the meeting must open before voting starts. Therefore, the Meeting and Polls will open at 12:00 noon for the consideration of Article #1, Parts A and B. At 12:30 P.M. the Meeting will recess but the Polls will remain open until 8:00 P.M. The Town Meeting will reconvene at 7:00 P.M. to act upon Articles #2 through #37.

Art. 2. To see if the Town will vote to raise and appropriate the following sums for the ensuing year to defray Town Charges:

	1975	1976
Town Officers Salaries	$ 13,500.00	$ 16,150.00
Town Officers Expenses	13,500.00	16,925.00
Election and Registration	1,000.00	3,000.00
District Court Expenses	9,310.00	14,630.00
Town Hall & Other Town Buildings	8,000.00	11,777.50
Soc. Sec. & Retirement, Town Share	14,000.00	15,000.00
Town Insurance	13,000.00	22,084.00

Art. 23. To see if the Town will vote to raise and appropriate $4,444.64 for the purchase of a new police cruiser for the Police Department.

Art. 24. To see if the Town will vote to raise and appropriate $29,700 for the purchase of the following equipment for the Highway Department:

Pick-up Truck	$ 3,900.00
Sander	6,000.00
Dump Truck w/plow & wing	19,800.00

Art. 25. To see if the Town will vote to raise and appropriate $1,500 for the purchase of office equipment for the Town Office.

Art. 26. To see if the Town will vote to raise and appropriate $500 to defray approximately ½ of the cost of Town of New London signs to be erected under the direction of the Chamber of Commerce with the remainder of cost to be raised by public voluntary subscription.

Art. 27. To see if the Town will vote to raise and appropriate $2,500.00 for maintenance and up-dating of the Tax Map.

Art. 28. To see if the Town will vote to raise and appropriate $3,000.00 for "revaluation pickup work on assessments".

Art. 29. To see if the Town will authorize town officials to enter into discussions with officials of the town of Sunapee of the feasibility and practicality of arranging for discharge of New London Sewer System waste to the Sunapee sewage disposal plant.

Art. 30. To see if the Town will vote to authorize the Selectmen, until directed to the contrary at a subsequent Town Meeting, to apply, negotiate and do all other things necessary to obtain such Federal, State, or other assistance as may be available for the design of, and construction of a sewage disposal system, and to authorize the Selectmen to borrow money in anticipation of said assistance as outlined in N.H. R.S.A. 33: 7-b et seq., as amended, and pass any vote relating thereto.

Art. 31. To see if the Town will vote to raise and appropriate a sum of $100,000 for the purpose of preparing plans and specifications on sewerage and sewage treatment facilities which are requirements contained in the Federal Water Pollution Control Act, as amended (33 U.S.C. 1251 et seq.) and will qualify the Town for Federal funds, such sum to be raised by the issuance of Serial Bonds or Notes not to exceed $100,000 under and in compliance with the provisions of the Municipal Finance Act (N.H. R.S.A. 33.1 et seq., as amended) and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interests of the Town of New London and to allow the Selectmen to expend such monies as become available from the Federal Government under the Financial Assistance Program of the Construction Grants section of the Federal Water Pollution Control Act, as amended (33 U.S.C. 125l et seq.) and pass any vote relating thereto.

Art. 32. To see if the Town will vote to authorize the payment of $1,152.50 for architectural services rendered by Delnoce Goubert in 1972 and 1973 in connection with Town Hall Court Room design changes which were not carried out.

Art. 33. To see if the Town will vote to authorize the Selectmen to spend Highway Subsidy Funds in the amount of $17,489.44 for the improvement of Class IV and V highways (RSA 241:14).

Art. 34. To see if the Town will vote to adopt the provisions of RSA 76:15-a providing for semi-annual collection of taxes, commencing in 1977.

Art. 35. To see if the Town will vote to authorize the Selectmen to establish Village Limits in the Town of New London and to make it unlawful to hunt deer within such Village Limits. (By petition)

Art. 36. To see if the Town will vote to adopt as a Town ordinance the following:

No dog shall be allowed to run at large within the confines of this Town. A dog shall be deemed to be running at large if not restricted by being tied on a rope, chain or cable permanently fixed in place, or on a leash held by its owner or keeper, or if not within the immediate care and control of its owner or keeper.

In addition to any other damages recoverable or fines or penalties which may be prescribed by law, the owner or keeper of any dog running at large, whether with or without the knowledge of its owner or keeper, shall be fined ten dollars ($10.00) to be paid to the Town. This ordinance to be enforced by whomever the Board of Selectmen of New London designate or appoint. (By petition)

Art. 37. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes if deemed necessary by the Selectmen.

Given under our hands and seal this sixteenth day of February in the year of our Lord nineteen hundred and seventy-six.

Selectmen of New London, N. H.

REPORT OF BUDGET COMMITTEE

To the Voters of New London:

In accordance with the Municipal Budget Act of the State of New Hampshire, the New London Budget Committee comprised of nine members and one Selectman, has prepared the Town Budget for the calendar year of 1976. It is herewith submitted in the Town Report.

In accordance with RSA 32:12 the Budget Committee met periodically during the year to review the statements of all expenditures made by the Selectmen.

The committee called two public meetings in January, in the Whipple Memorial Hall, to discuss the budget.

JAMES W. MORELAND
Chairman

BUDGET OF THE TOWN OF NEW LONDON

Estimates of revenue and expenditures for the ensuing year January 1, 1976 to December 31, 1976, compared with estimated and actual revenue, appropriation and expenditures of the previous year January 1, 1975 to December 31, 1975.
